The Bethel College President's Circle is composed of all donors who contribute \$5,000 or more yearly to the Bethel College Fund (the college's current fund). We are grateful to the 67 persons who became President's Circle members this year. Their gifts helped provide the flexibility to fund priorities as we carried out Bethel's mission. Throughout the year, President's Circle members are drawn more fully into campus life through news and information from the President's Office and additional opportunities for interaction with the campus community. Members of the President's Circle are designated with an asterisk (*) behind their name.

Leaders Club	Gifts between \$500 – \$999.99	211	\$ 123,251.20
Founders Club	Gifts between \$250 – \$499.99	266	\$ 84,784.49
Century Club	Gifts between \$100 – \$249.99	747	\$ 99,052.11

We are grateful to our almost 2,700 donors. Each gift is important and ensures the ongoing programs of Bethel College. We regret that space and resources limit the number of names we can include.

Those whose names appear in **bold print** gave to the Bethel College Fund at the club level. In making up the difference between what students pay and the actual cost of their education, the Bethel College Fund helps every student at Bethel College.

Deceased individuals are designated with ++ behind their name.

HERITAGE ROLL OF HONOR

The Heritage Roll of Honor acknowledges, during their lifetimes, those individuals who remember Bethel in their estate plans. These friends of Bethel College extend their influence beyond their lifetimes. They ensure the mission of Bethel College. They motivate others to do likewise. They assure foundations, companies and accrediting agencies that Bethel College will exist for generations to come.

Membership in the Heritage Roll of Honor is open to those who indicate they have made specific plans to provide for Bethel in one or more of the following ways:

- Specific provision by will
 - Creation of a charitable trust
 - Purchase of a charitable gift annuity
 - Assignment of life insurance
 - A gift of property with life estate reserved
 - Designated beneficiary of retirement plan assets
